

Welcome to our practice!

We are a General Dental practice that combines the essentials of routine dental care with the science of complete restorative and cosmetic dentistry. We take the extra steps to gain your trust, ensure your comfort, and provide the highest quality dentistry available today.

Once you call to make an appointment we will forward our health history forms for you to complete in the privacy of your home. If you would like us to help you with your dental insurance please bring a completed copy of your insurance form. This will allow us to serve you in the fullest. The HIPPA form will be included for your review and signature and represents a commitment we make to ensure your privacy.

Our office is located on 25 North Main Street in the Historic downtown of Medford. We offer parking to everyone directly in front of our office on Main Street or in our dedicated parking lot, with full van handicap accessibility, in rear of the property accessible via Charles Street.

We are very happy to welcome you as a new patient and look forward to meeting you. Please feel free to contact us at (609)654-0033 if we can be of any further assistance.
